SUBJECT: INVITATION TO REGIONAL CONFERENCE

Western Balkans – Regional Conference

Public Procurement as a Strategic Function Critical to Good Governance

Dear Sir/Madam,

Please be informed that the Foreign Trade Chamber of Bosnia and Herzegovina, together with the Public Procurement Agency (PPA) of B&H, and the European Bank for Reconstruction and Development are organizing a Regional Conference in Sarajevo on the 24 and 25 February 2015, titled:

Western Balkans – Regional Conference -Public Procurement as a Strategic Function Critical to Good Governance

The objective of this Regional Conference is to better equip the participants to increase their interest and opportunities to participate and win contracts on EBRD financed projects. Host's intention is to increase the participation of firms from the region in public tenders, as well as, to promote quality competition in public sector projects. In addition, EBRD representatives will share with participants how to:

- Apply the advantages of sound procurement and the Bank's Procurement Policies;
- Promote and grasp why the policies are important for the Bank's clients, contractors, suppliers and consultants, and
- Identify main procurement issues during project implementation in real life.

This Conference/Workshop is targeted for enterprises from the Western Balkans / South - Eastern Europe region, both from the region and from the EU and any other country or interested party from EBRD family of countries from enterprises in private sector, such as contractors, suppliers and consultants.

The Workshop is specially designed for participants to explore and improve their knowledge and discuss in detail procurement issues from real life cases, both with EBRD staff and with other participants from private and public sector. It has been observed that the firms operating in the
