Match making

Mission

The aim of Euro-China Business Meeting is to stimulate mutual invest and trade cooperation between Europe and China. The event invites the European enterprises to come to China through face-to-face match-making to supply the services to the Chinese enterprises who intend to do business and invest in Europe. The services include: Marketing development, logistic, real estates, sales-network, information, legal and account, as well as consulting, etc. The event also welcomes European high-tech, commerce and manufacturers as well as R&D companies to come to China to find business partners.

Sector

There are 6 sectors including automobile, railway vehicle, machinery, environment, agri-food, service, etc.

Main organizer

The event is organized by Macro Euro China Entrepreneurs Club (MECEC), with the cooperation from Xiamen and Jiangsu government.

Co-organizer

We will invite Chambers of Commerce from France, German, Italy, Portuguese, Spain, Belgium, Netherland, Luxembourg, Denmark, Finland, Estonia, Austria, Czech, Croatia, Bulgaria, Greece, Poland, Hungary and Turkey as our partner.

Pattern

The European participated firms can select maximum 20 Chinese potential partners through the catalog (400 Chinese companies' profile). The event divides in TWO CHAPTER:

One Match-making in Xiamen (Sep.7th-8th), during the China Invest Fair, the biggest invest & trade fair in the world, covering 1.3 billion population market of the whole China.

The Other Match-making in jiangsu province (Sep. 9th-11th), which is the most developed province in China.

Matchmaking

The organizer will make the matchmaking arrangement through the computer, each European participant could meet 15-20 Chinese partners.

Cost

We prepared Travel package including 3 inland air-tickets and 6 nights' 4-star Hotels as well as all the meals and pick-ups, which just charges 970 Euro.

Register before July 1st will get 30% discount, only charges 700 euro!

China International Fair for Invest and Trade (CIFIT)

The CIFIT is the sole international investment promotion event featuring two-way investment facilitation in China and the largest global investment exposition certified by the Global Association of the Exhibition Industry (UFI).

Themed on "attracting FDI" and "going global", the CIFIT is a showcase of global business opportunities and barometer of investment. Matching multilateral investment promotion events. The CIFIT is not only a globally multilateral investment promotion events.

Each year, the CIFIT receives more than 16,000 overseas visitors, as well as business professionals and government officials from more than 300 major cities in China.

At the 4,000 international standard booths covering 100,000 m² exhibition area, with a 17-year track record of success, the CIFIT has become a leading channel for international capital to flow into China, the gateway to global marketplace for Chinese enterprises and products.

Jiangsu Province

Jiangsu Province is located at the center of the eastern coastal region of China, bordering Shandong in the north, Anhui to the west, and Zhejiang and Shanghai to the south. Its capital is Nanjing. With a population of 79 million in its 13 municipalities, Jiangsu covers an area of 25.35 million acre. GDP per capita of the province exceeds 9545 US dollars, ranking the highest of all Chinese provinces.

Jiangsu is home to one of the most extensive transportation networks in China. The Jinghu (from Beijing to Shanghai) Railway and the Longhai (Gansu to Lianyungang) Railway travel both east-west through the province. The two railways intersect at Xuzhou, a city in the northeast Jiangsu, which is the second largest railway junction in China.

The main industries in Jiangsu Province include new energy, new materials, bio-technology, medicine, environmental protecting technology, software, service outsourcing and internet of things (IOT). The total revenue of these strategic emerging industries in Jiangsu Province exceeds 2.6 trillion yuan annually.
